

PRINT OUT THESE FLYERS AND HAND THEM OUT AROUND YOUR NEIGHBORHOOD, LOCAL SCHOOLS & BUSINESSES.

Say "NO"
to spray

&

SAVE

OUR LOCAL
POLLINATORS!

USING PESTICIDES AND WEED SPRAYS CAN KILL HONEYBEES, BUTTERFLIES & OTHER FRIENDLY POLLINATORS WHO PLAY A CRUCIAL ROLE IN PRODUCING MANY NECESSARY FRUITS & VEGETABLES...NOT TO MENTION NUTRITIOUS & ANTI-BACTERIAL HONEY! WITHOUT THESE POLLINATORS, THESE FOODS WILL BECOME SCARCE. HONEYBEES FLY UP TO 6 MILES IN A DAY. TAKE A STAND & HELP KEEP THOSE 6 MILES CLEAN BY NOT USING HARMFUL SPRAYS ON YOUR PROPERTY.
